PROFESSIONAL EXPERIENCE

McCarthy Uniforms

Calgary, AB, Canada

Retail Sales Associate and Cashier

July 2025 - September 2025

- Restocked merchandise and maintained organized displays to ensure efficient product availability for customers.
- Assisted students and parents with uniform fittings, providing accurate sizing and product recommendations.
- Operated the cash register, processed transactions, and ensured the proper handling of returns and exchanges.
- Ensured cleanliness and orderliness of the sales floor, fitting rooms, and storage areas.

Comserve Technologies Inc

Calgary, AB, Canada

Tech Support Intern, and Customer Service Representative and Cashier

January 2023 - March 2025

- Diagnosed and repaired computer systems, including hardware replacement and upgrades; managed wireless security networks and installed various antivirus and firmware to maintain system integrity.
- Provided expert consultation for the acquisition of new technologies, advising on optimal solutions for business needs.

Cornell University, BTI Institute

Ithaca, NY, US

Research Intern

MAY 2024 - January 2025

- Selected by the Lawrenceville school to conduct in-depth analysis on gene mutations within the CNR (Colorless Non-Ripening) mutant lines of tomatoes, examining their phenotypic manifestations and gene expression profiles.
- Used Excel and data analysis techniques to uncover insights into the genetic mechanisms governing tomato fruit ripening and developmental pathways, contributing to a deeper understanding of agricultural genetics and biotechnology.
- Redesigned primers following biosafety protocols, ensuring PCR success and accurate documentation.

EDUCATION

University of Toronto

St. George St., Toronto, ON, Canada

Bachelor of Applied Science in Computer Engineering

August 2025 - May 2029
